

## News release

### Estyn inspections in the Autumn term

22 July 2008

Estyn, the education and training inspectorate for Wales, has announced its programme of school inspections for the Autumn term of 2008. A total of 106 establishments across Wales will be inspected.

Contracts for inspection have been allocated to Registered Inspectors for 82 Primary schools, 16 Secondary schools, 4 Special schools and 1 LEA's Pupil Referral Units.

In addition, teams of Estyn HM Inspectors of Education and Training will carry out inspections at three independent schools.

All schools are inspected at least once every six years. Inspections report on:

- educational standards
- quality of education
- quality of leadership in and management of the school (including whether the financial resources made available to the school are managed efficiently) and
- the spiritual, moral, social and cultural development of pupils.

## Notes to Editors:

- A list of all 106 schools, grouped by county, is below.
- Estyn is the education and training inspectorate for Wales. Estyn commissions independent inspectors (registered, team and lay inspectors) and Her Majesty's Inspectors of Education and Training to carry out inspections across the full range of education and training providers.
- Estyn inspects nursery schools and settings that are maintained by, or receive funding from, local education authorities (LEAs), primary schools, secondary schools, special schools, independent schools, further education, adult community-based learning, youth support services, local education authorities, teacher education and training, work-based learning, offender learning, careers companies, and the education, guidance and training elements of the Department for Work and Pensions funded training programmes.
